What is the Tuesday Club

The Tuesday Club is a new idea aimed at providing a place for local people to meet and talk. The whole aim of this exciting venture is to provide friendship, entertainment and social activities for everyone who comes along.

The events are held on a Tuesday, twice a month and cost just £2 per visit. If you need transport we will collect you from home, or a convenient stop off point, and bring you to The Old School House at Leyburn for 2.00 pm, where you will spend a pleasant afternoon socialising and taking part in the activities, but only if you choose to.

After a light meal we will take you back home around about 5.00 pm and although of course we would love to see you at every event, there is no obligation to be there every fortnight and if you would feel more comfortable being accompanied by a friend then bring them along as well, all will be welcome.

If you want to know more about this exciting new venture, or wish to book your place and transport please ring 01969 624510 and talk it over with the friendly staff at The Old School House.

You can be sure of a warm welcome at the Tuesday Club
